Attention: Dr. F. Salzer
Manager, Quality

Dear Dr. Salzer,

Please be advised that your firm has been granted a Bombardier Inc. (*de Havilland*) Approval Number H/1656, in accordance with the requirements of specifications QAS/002 (copy attached).

The approval status will be periodically reviewed and/or revised based on supplier performance.

Scope of Approval: Manufacturer/Supplier Wet Carpet

This certification is issued on the condition that you comply with the applicable requirements of the purchase order, drawing requirements and the above referenced specification(s).

All shipments of parts or materials must be accompanied by Approval Certification (Release Note, etc.) as required by the Purchase Order and/or Specification. Such documentation shall certify the part(s) has/have been processed and inspected in accordance with the applicable requirements.

Please complete the reverse side and return one copy to the undersigned.

Yours truly,

Frank Woodward
Supervisor, Quality
