REF.: HELIFLOOR – Declaration of Conformity

We hereby certify that HELIFLOOR in all colours and surface embossings fully comply with the related requirements of European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) and its latest update.

None of the products we supply are manufactured with “substances” or “preparations” and our articles do not involve the “intentional release of substances”. Accordingly, we foresee no registration or Authorization requirement for the products we supply.

With regard to the requirements of Article 33 of REACH: Duty to communicate information of substances in articles. We declare that none of SVHCs (the Candidate List of Substances of Very High Concern) is present in the HELIFLOOR products.

We declare that none of substances into Annex XIV is present in the HELIFLOOR products.

We declare that none of Perfluorooctane Sulfonate or Perfluorooctanoic Acid (PFOS or PFOA) is present in the HELIFLOOR products.

As REACH regulation is updated frequently, for the major changes afterwards, such as the addition of SVHC substances into Annex XIV, the addition of restricted substances in Annex XVII, these will evaluate the further revise in time and update this declaration to reflect these changes.

Yours sincerely.

Dirk Heinemann
Managing Director
