--------------------	---	------------------------	-----------

d1. Identification of the product and the company:			
Information on the product:			
Trade name:	Skai (Pablo, Palma, Palmato, Paso, Pasotano, Patega, Pego, Plata, Stella, Palero, Paromba, Palatexo, Parona NF, Paduna NF)		
Product number.:	F641-	Materialno.:	Diverse
Application:	Upholstery material		
Information on the manufacturer:			
	n/a		
Product information service:			
	n/a		
Emergency contact number:			
	n/a		

2. Composition / information on ingredients:	
Chemical characterisation (product):	
Description:	Plastic-coated textile based on PVC, plasticizer, additives, flame retardant

3. Possible hazards:	
Description of the hazards:	Under normal conditions (at room temperature 20 – 40°C) and if used for the intended purpose, there are no hazardous substances in the sense of the ordinance regulating hazardous substances

--------------------	---	------------------------	-----------

	Particular hazards for humans and the environment: Under normal conditions (at room temperature 20 – 40°C) and if used for the intended purpose, there are no hazardous substances in the sense of the ordinance regulating hazardous substances
--	---

4. First-aid measures :

	General comments: - After skin contact: - After ingestion: Very improbable, consult a doctor
--	---

5. Fire-fighting measures:

	Suitable extinguishing media: water spray, carbon dioxide (CO ₂), ABC powder, extinguishing foam Special hazards caused by the product itself, its combustion products or liberated gases: Main products in the case of fire: carbon dioxide, carbon monoxide, soot, hydrogen chloride, toxic phosphorus compound vapours possible Special protective fire-fighting equipment: Because of the decomposition products, respiratory equipment with an independent air supply is necessary Additional information: Dispose of burnt residues and contaminated extinguishing water according to the local official regulations
--	--

6. Measures in case of accidental release:

	If used for the intended purpose (see Point 1 Application), this point does not apply Person-related safety measures: - Environmental measures: - Procedures for cleaning / clean-up: - Additional information:

10. **Stability and reactivity:**

Hazardous reactions:
None known

Conditions to be avoided:
At appropriate storage and intended application: none known

Thermal decomposition:
The following decomposition products can be released: carbon dioxide, carbon monoxide, soot, Hydrocarbons, hydrogen chloride, toxic phosphorus compound vapours possible

Further information:

11. **Toxicological information:**

Toxicological tests:

Acute oral toxicity:
None, see Point 4 First Aid

Irritant effect on the skin:
None known to date

Irritant effect on the eye:
Not applicable
